- (1) An appeal, as provided within this Ordinance, shall be filed with the Zoning Administrator on an official application form. The Zoning Administrator shall refer said application, along with all related information, to the Board of Appeals for consideration at its next meeting provided that adequate time exists between the filing date and meeting date to allow for notification of the hearing as required by State Law. If there is not adequate time between the filing date and meeting date, the request will be considered at the next following meeting of the Board of Appeals.

 - (a) Application for an Appeal shall be made to the Zoning Administrator on forms provided by the City.
 - (b) The particular order, requirement, decision, or determination from which the appeal is taken.
 - (c) The name and address of the appellant.
 - (d) The grounds for the appeal.
 - (e) The relief requested by the appellant.
- (3) An appeal stops all proceedings in furtherance of the action appealed from unless the Board of Appeals, to whom the appeal is taken certifies that by reason of the facts stated in the certificate, a stay would cause imminent peril to life or property.
- (4) The Zoning Administrator on behalf of the Board of Appeals, shall set a date for a hearing of the appeal and give due notice thereof to the appellant and the officer from which the appeal is taken and to the public.
- (5) The Board of Appeals shall consider the appeal and hold such hearing at its next meeting. The appellant and officer from which the appeal is taken shall appear before the Board of Appeals in order to answer questions concerning the appeal.
- (6) After receipt of a complete application (as defined by Sec. 40 – 130, (2)) for an appeal, the Board of Appeals shall make findings of fact and order either to reverse or affirm, wholly or partly, or to modify the order, requirement, decision or determination appealed from. Sec. 40 - 131. Lapse of Appeal.

Whenever within one (1) year after granting an appeal the work as permitted by the appeal shall not have been completed, then such appeal shall become null and void unless a petition for extension of time in which to complete the work has been granted by the Board of Appeals. Such extension shall be requested in writing and filed with the Zoning Administrator at least thirty (30) days before the expiration of the original appeal. There shall be no charge for the filing of such petition. The request for extension shall state facts showing a good faith attempt to complete the work permitted in the appeal. Such petition shall be presented to the Board of Appeals for a decision, and shall be requested only one time on a singular action.
