Disclaimer:

These laboratories held valid accreditation at the time this database search was conducted. This information is provided for informational purposes only and should not be construed as an endorsement of a particular laboratory. Other laboratories may hold accreditation for the identified tests and may not appear here due to pending applications or other exclusions not entered into the original query. If you have questions about the accreditation status of a particular laboratory, please contact MNELAP ((651) 201-5324 or health.mnelap@state.mn.us).

At Point of Sale inspections, well water must be tested for Nitrates and Fecal Coliform. A list of all testing laboratories is available at: <https://apps.health.state.mn.us/eldo/public/accreditedlabs/labsearch.seam>
